

Block #4 - Pumpkin

Unfinished size 6½" x 6½"

FABRICS

Pumpkin - orange scraps

Background - neutral - white, beige, pale blue

Stem - green

CUTTING:

From pumpkin fabrics, cut:

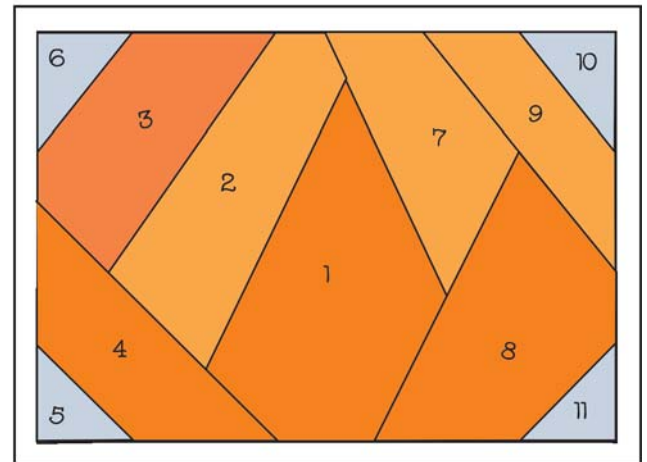

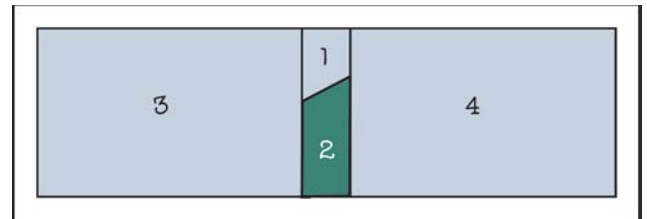

- 2 rectangles, 4½" x 6" - unit A, pieces 1 & 8
- 1 rectangle, 3" x 6" - unit A, piece 2
- 2 rectangles, 3" x 5" - unit A, pieces 3 & 5
- 2 rectangles, 2½" x 6" - unit A, pieces 4 & 9
- 1 rectangle, 2½" x 3½", unit A, piece 7

From stem fabric, cut:

- 1 rectangle, 2" x 2½" - unit B, piece 2

From background fabric, cut:

- 2 rectangles, 3½" x 4½" - unit B, pieces 3 & 4
- 4 rectangles, 2½" x 2½" - unit A, pieces 5, 6, 10, 11
- 1 rectangle, 1" x 11/2" - unit B, piece 1

BLOCK CONSTRUCTION

1. Place unit A, piece 1 right side up on the wrong side of the paper pattern (so that wrong side of fabric touches wrong side of paper). Hold up to a bright light to be sure that piece 1 on the paper is completely covered by fabric. If desired, hold in place with a pin. Align piece 2 to piece 1, right sides together. Piece 2 should lay about ¼" over sewing line. Set machine on very small stitches to aid in paper removal, and stitch along the line between piece 1 and piece 2. The lined side of the paper will be facing up and the fabric will be against the throatplate as you sew. Start a few stitches before line begins and end a few stitches after line ends. Flip piece 2 to ensure pattern is covered, then trim seam close to stitching. Press seam toward Piece 2. In same manner, attach piece 3 to piece 2. Continue working in numerical order until unit A is complete.
2. In same manner, construct unit B.
3. Sew units A & B together. When block is complete, stitch within seam allowance and trim paper-side up, being sure you leave a ¼" seam allowance along outside lines. Leave paper on.

If making Block Party Quilt for yourself, make 1 block.
