This is a paper pieced block. Piece this block making sure that all fabrics extend at least 1/4" from the solid line. Trim the block to 8.5" x 8.5". In addition, you will need to add 2.5" strips to all sides of this block to make the block finish to a 12.5 x 12.5 block.

Optional Embellishments Ideas: Add a button or bow for the shoe front. Button placement is marked with an "X". Add a bow to the heel.

Piecing Instructions

Refer to basic paper piecing instructions if needed from a book or on the web. The pattern is full sized and reverse of the finished block.

Once the paper piecing unit is complete, trim the block to 8.5" x 8.5". Assemble the remaining pieces as shown in the diagram.
