Scraps for paper piecing

**Piecing Instructions**

Refer to basic paper piecing instructions if needed from a book or on the web. The paper pieced portions are full sized.

**Mirror Stand**

Place a 2x2 on one corner of the 2.5" x 6" bg fabric. Draw a line down the center of the stand fabric and sew on the line. Cut 1/4" away from the sewn line and press. Repeat for the other side but be careful to make a left and a right stand piece.

Once paper piecing is complete, assemble according to diagram above. The vanity pieces are assembled in columns and then joined together.

Trim finished block to 12.5" x 12.5"

**Optional Embellishments Ideas:** Use photo transfer in the mirror. Add a button or tassel to the perfume bottle.
